

Clinical Trial Agreement (CTA) IBIS Submission Guidance

Prerequisite Checklist:

- Review Scope of Project and confirm it falls under NIH definition of a Clinical Trial <https://grants.nih.gov/ct-decision/index.htm>
- Funding Proposal (FP) related to this CTA is submitted to ORA in IBIS.
- A WORD version of the Clinical Trial Agreement is needed.
- Please reference Departmental Clinical Trial Checklist for further details on needed documents.

Clinical Trial Agreement IBIS Submission Instructions:

--	---

12. Completion Instructions Tab: confirm all information inputted accurately and Click Finish

13. The Clinical Trial Agreement should now be in Pre-Submission status. Click Submit on the leftmost menu:

Notes: 1) Submission of a Clinical Trial Agreement request in IBIS constitutes department and PI approval for Research Administration to review and negotiate the agreement according to UM guidelines, policies and procedures.

2) Failure to include a Funding Proposal submission in parallel with this Clinical Trial Agreement Submission will result in the CTA being returned to the Department under Clarification Requested.

3) Failure to comply with this guidance document may result in rejection/discarding of the Clinical Trial Agreement request or a formal Request for Clarification in IBIS.
