

March 31, 2017

**National Science Foundation (NSF)  
Prospective New Awardee Guide (January 2017)**

NSF has posted the [January 2017 Prospective New Awardee Guide](#). The 2017 changes remove references to the Grant Proposal Guide (GPG), Part I and the Award and Administration Guide (AAG), Part II. The new references reflect the Proposal and Award Policies and Procedures Guide (PAPPG). All other content remains the same.

For more news and information about our sponsors, please visit the [Office of Research Administration website](#).
