

Clinical Budget Template & Revised PCRFL

April 24, 2018

Effective May 1, 2018, the University of Miami will implement the Clinical Budget Template across the University of Miami. A revised Proposal Contract Routing Form (PCRFL) will be available through our website on May 1st. The new PCRFL will require PI/department to answer fewer questions due to the development of the Clinical Budget Template. The Office of Research Administration will build the clinical budget, provide to PI/department for review, adjust as needed, and submit to our sponsor once the PI has approved the Medicare Coverage Analysis (MCA) and budget.

The [attached document](#) provides the history of the implementation recommendation. If you have any questions/concerns, please contact Jill Tincher at jtincher@miami.edu or 305-284-3952.

Thank you, Jill
