

REVISION: National Science Foundation (NSF) Terms & Conditions

May 10, 2018

A MESSAGE FROM JEAN FELDMAN, HEAD POLICY OFFICE, NATIONAL SCIENCE FOUNDATION.

I wanted to make you aware that the Foundation's suite of [Award Terms and Conditions](#) (see full listing below) has been revised. Important changes include:

- Revision of the Equipment article to align with 2 CFR § 200.313 requirements for all equipment purchased under NSF awards and provide clarity on reporting requirements for NSF-owned equipment; and
- Revision of the Patent Rights article to implement government-wide changes to the Department of Commerce Bayh-Dole regulations at 37 CFR § 401 effective May 14, 2018.

Each set of terms and conditions is accompanied by a summary of changes made to that document.

The revised Terms and Conditions will apply to all new NSF awards and funding amendments to existing NSF awards made on or after May 14, 2018.

Revisions have been made to the following documents:

- NSF Agency Specific Requirements to the Research Terms and Conditions (ASR);
- Cooperative Agreement Financial & Administrative Terms and Conditions (CA-FATC);
- Cooperative Agreement Modifications and Supplemental Financial and Administrative Terms and Conditions for Major Multi-User Research Facility Projects and Federally Funded Research and Development Centers; and
- Grant General Conditions (GC-1).

If you have any questions regarding these changes, please contact the DIAS Policy Office on X8243 or by email to policy@nsf.gov.

Jean Feldman
Head, Policy Office
