## **Revised NIH Grants Policy Statement (NOT-OD-19-021)** **(Rev. October 2018)**

The National Institutes of Health (NIH) announced the publication of the revised NIH Grants Policy Statement (NIHGPS, rev. October 2018). This revision is applicable to all NIH grants and cooperative agreements with budget periods beginning on or after October 1, 2018. This revision supersedes, in its entirety, the NIH Grants Policy Statement (October 2017) as a standard term and condition of award. Previous versions of the NIHGPS remain applicable as a standard term and condition for all NIH grants and cooperative agreements with budget periods that began prior to October 1, 2018.

While this revision does not introduce any new material for the first time, it incorporates new and modified requirements, clarifies certain policies, and implements changes in statutes, regulations, and policies. The document is available in the following electronic formats: HTML and PDF (<http://grants.nih.gov/grants/policy/nihgps/index.htm>).

A document is available that summarizes the [significant changes](#) that are implemented with the October 2018.
