February 1, 2021

Employee Compensation Compliance (ECC)
Formerly known as ECRT

As I'm sure you have heard, the ECRT system, used for effort reporting has been upgraded. The name has changed to Effort Certification Compliance (ECC).

The system is basically the same, but there are some new features which will make it easier for certifiers and approvers.

For your convenience, **a video is available in** ULearn called, Employee Compensation Compliance for PI's.

In addition, virtual drop-in labs will be available if you have any questions about the system.

Employee Compensation Compliance (ECC) Drop-In Labs for Principal Investigators (PI's):

- February 9. 2021 from 2 p.m. - 3 p.m.
- February 17, 2021 from 10 a.m. - 11 a.m.

.
