May 12, 2020

Maintenance Alert - Grants.gov Production

PLEASE READ THIS MESSAGE FROM THE GRANTS.GOV PROGRAM MANAGEMENT OFFICE

The Grants.gov Production Environment will be undergoing scheduled maintenance beginning Saturday May 16, 2020 at 12:01 AM ET. The maintenance window is as follows:

Scheduled Maintenance Outage (Production):
Production System will go **Offline** Saturday May 16, 2020 at 12:01 AM ET.
Production System will go **Online** Monday May 18, 2020 at 6:00 AM ET.

In the event that we run into any issues or finish maintenance ahead of schedule, we will post follow-up messages to the Grants.gov Alerts Blog (https://grants-gov.blogspot.com) and we will send an email to our distribution lists.

For this and all scheduled maintenance, please visit: https://www.grants.gov/web/grants/support/calendar.html.

We appreciate your patience as we work to improve your Grants.gov user experience.

The Grants.gov Program Management Office
