

Research Reporting System (RRS) Change in URL

May 23, 2018

Dear RRS Users,

To better serve the University research community, the URL for the Research Reporting System (RRS) has changed to <https://rrs.miami.edu>. We believe the new URL will make the service easier to locate, and will allow for clear definition between the Research Reporting System and other tools that may be available to the University.

Please update any old bookmarks, and be certain to use the new URL. EFFECTIVE JUNE 1 the old bookmarks pointing to <https://research.miami.edu> will no longer function.

Please do not hesitate to contact us via e-mail at ora-si@miami.edu should you have any questions or comments.

Cordially,

UMIT & The ORA Reporting Team
