## IBISResearch Maintenance Alert

Please be advised that the IBISResearch system will be undergoing an SF424 Upgrade from 7:00pm, through 11:00pm, May 29. The system will be unavailable during this time frame.

This Upgrade is required due to federal forms changes in May and June. The SF424 Upgrade will:

- Update 37 federal forms to include new OMB Expiration Dates
- Provide 2 NSF Form updates (Cover Page & Sr/Key personnel Page)
- Provide Grants.gov Form updates (new State and Country picklists)
- Provide minor updates to additional Grants.gov Forms

We apologize for the inconvenience as we work to fine-tune the IBISResearch system.

Thank you for your patience, and please contact [ora-si@miami.edu](mailto:ora-si@miami.edu) if you have any questions or concerns.
