

# IMPORTANT ORA MESSAGE

July 17, 2017

**In anticipation of Workday, ORA will be launching the following August 1, 2017:**

- PCRF-S will be used in lieu of the PCRF-L for non-competitive applications and progress reports
- PCRF-L will have fields added and/or changed to be consistent with Workday terminology and to aid in reporting
- Outbound Subawards will no longer go through Ariba and will be issued directly from Workday

Updated documentation, as well as job aids and training, will be available on the ORA website in the coming weeks and will be highlighted at the ORA Quarterly meetings in August.
