

ORA BROWN BAG DISCUSSION GROUP

July 27, 2018

Join the Office of Research Administration team in a discussion group designed to hear your ideas and concerns and to come up with solutions.

This is an opportunity for you to spend one hour in an open forum with the Office of Research Administration leadership team and other senior-level research administrators. Come ask questions, share best practices or tell us what is on your mind.

The ORA Brown Bag Discussion Group is held monthly at the Miller School of Medicine campus. Below are the dates.
