

New System? Why Now?

Administrative Burden

Researchers spend 44.3% of their time on obtaining and managing federally funded research, rather than actively conducting research. This has increased by 2% in the past 4 years.*

*[FDP Survey](#)

Volume

In FY 19 the Office of Research Administration (ORA) processed over 2500 proposals. This required countless interactions with departments and central offices at the University of Miami.

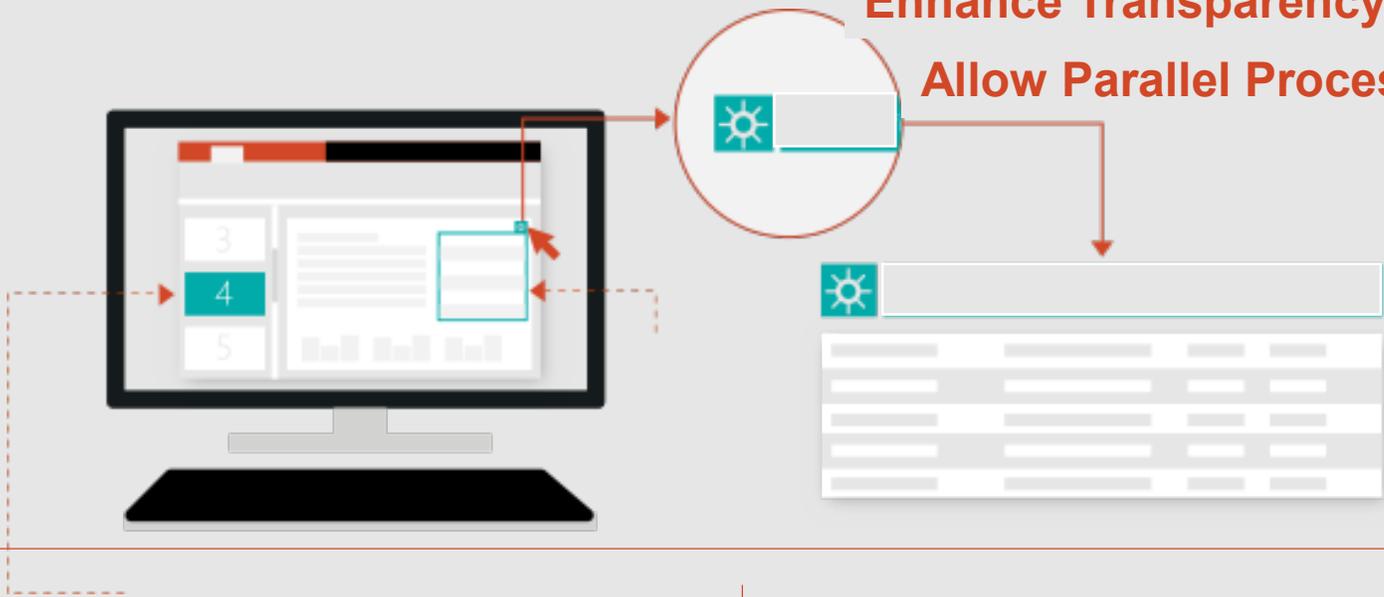

Benefits of New System

Reduce Administrative Burden

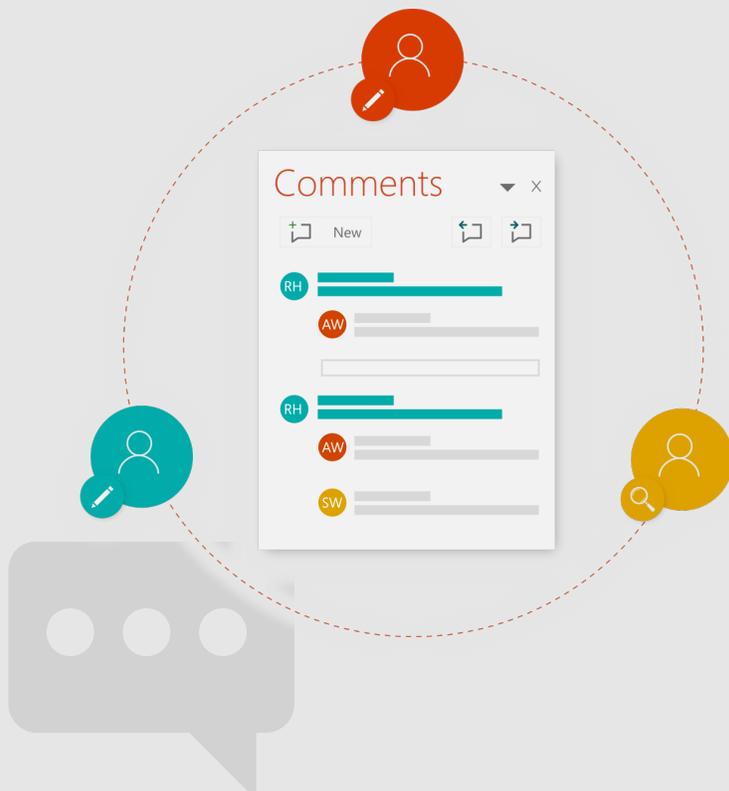

Enhance Transparency

Allow Parallel Processing

Facilitate Communication

Increase Efficiency

Allow for Robust Reporting
